The Tiger made his mark on the pages of the history of Tucker High School, and THS made a lasting impression on him.

The Tiger's world is made
of all these things and more.
Throughout the year, as he traveled
through his world of the student, the athlete,
the citizen, and the philosopher, he did his best to
maintain the honor and dignity befitting a Tiger.
The TIGER staff has endeavored to capture him in
his many complex moods, "to tell it like it is."
The Tiger invites one and all to join him
for a closer look at his world, a glorious

Dedication

In past years, it has been tradition for the senior class to honor an individual who has done something for that class by dedicating the annual to that person. We, the class of '69, wish to show our gratitude to someone who has devoted untold hours of service to T.H.S. and our class.

We dedicate the 1969 TIGER to the man who has not merely given us something, but indeed, everything,

MR. FRANK BARBER

What About Junior High?

A feature of many school systems which is not included in the DeKalb County Ssytem is the junior high school. Although perhaps not a necessity, a junior high school system would be an improvement.

Sub-freshmen need more time to grow up before they are thrown into a school with Seniors. There are even a few classes which contain student from each grade. The competition is not quite fair. Eighth graders are also exposed to dating much more than they would be if they were in a junior high for three years.

Junior highs would cut down on the size of high schools.

Smaller schools would be easier on principals, students, and teachers. Juniors and Seniors could be allowed more privileges and could be treated more like adults. There is a tremendous difference in a school in which the youngest students are sixteen and a school in which the youngest students are thirteen.

A more effective student government could result from junior highs. As sophomores, students would be the leaders in their school. They would learn more about accepting responsibility and assuming leadership.

Many, many states have successful junior high systems. Maybe when DeKalb County quits growing so fast, junior highs would be possible here. Certainly they would be beneficial to all concerned.

Tucker's Spirit Is A Tridition

Ask yourself this: Have you become so involved that you forget special things?

During the coming holidays, why not draw back from the universal plunge and take a good look at yourself.

Resolve in the coming weeks to focus on your family. Be a spiritual isolationist--just for a little while.

Spend time on trimming and decorating your home. Make a real Christmas setting. Remember for some of you this could be the last long Christmas at home.

Go out and make friends. Greet someone with a simple Hi! or make a gesture of a wave. Work at keeping friendships and making new ones.

Are you really a part of it these days?

Rocki McElroy, did you enjoy your Friday morning Christmas shopping?....According to toy authority Peggy Ransom, the toy for this week is Baby Party.... The senior girls team up against the junior boys in the lunchroom and have potatoe stick battles; naturally the senior girls always win....Mr. Collier claims that he is Jack the Ripper....Nancy O'Brien, Melinda Johnston, and Triss Evans are Tucker's new talent discovery. 1st row: L. to R. — Greg Greenway, Marty Crowley, Robby North, Bobby Jordan, Jimmy Chesnut, Davis Grovely, *2nd row:* Don Cheek, Robert Wynne, Carlton Groom, Bob Taylor, Ken Greenway, Mike Cason, John King.

Seniors

Marietta 13-6

Marietta jumped out in front of our Tigers early in the first quarter after a quick drive and led 6-0. Early in the 2nd quarter, however, Tucker decided to play football. David McMakin intercepted a Marietta pass and six plays later Tucker led 7-6. Tucker dominated the remainder of the game but managed only one more score. Friday the 13th found Georgia's defending AAA champs on the wrong end of an upset, with the better team winning.

Decatur 21-14

Unbeaten Decatur entered its home stadium expecting to find an easy victory after Tucker's loss to Briarcliff; Tucker didn't have it planned quite that way. Despite a strong statistical lead, Tucker led only by the score of 7-0 at the half. Late in the 3rd quarter both teams seemed to spring to life, however. An inspired defensive unit, led by senior Greg Greenway, managed to hold the Bulldogs during a late drive, giving Tucker a 21-14 win.

Chamblee 35-20

The Bulldogs were the last team to face the 1969 Tigers and the last to be quite evenly matched until late in the game. With Tucker leading 21-20 a Chamblee field goal attempt failed, and this failure seemed to take the fight out of the Bulldogs. The rest of the game belonged to Tucker, with two T.D.'s coming in the 4th quarter.

Druid Hills 10-0

Despite poor playing conditions, the Tigers delivered another homecoming victory this year. After a scoreless first half the Tucker "machine" began to function. Early in the third quarter David McMakin put the first points on the scoreboard, giving T.H.S. a 7-0 lead. Penalties nullified two Tucker T.D.'s late in the quarter. A 26 yard field goal by Mac Beaty completed the scoring.

Athens 20-28

An action-packed game was the result when these two great teams met. The score shifted back and forth until late in the third quarter when the 8AAA region champions, the Athens Trojans, took the lead for the first time and held it to win 28-20.

Captain Jimmy Chesnut #22

Co-captains Don Cheek #77 Robby North #20

Therrell 35-6

The Tigers made their second game a memorable one. A 78 yd. run by Jimmy Murray gave Tucker an early lead, one which they never lost. Therrell's only score came in the 4th quarter, but even then the tough Tucker defense blocked the PAT.

Chesnut Establishes 4 Year Rushing Record

Sequayah 27-17

The Sequayah Braves, looking for their 3rd straight win, shocked the Tigers by returning the opening kickoff 95 yds. At halftime they led 17-7 and the Tigers were in trouble. Tucker's salvation came in the second half in the form of a David McMakin to Robby North combination. A late score by Jimmy Chesnut guaranteed the Tiger victory.

Tigers — 32 Lizards — 28

The highly-rated Lakeside Vikings played their first football game against a real football team on November 8th. The strong sense of rivalry which has always existed was quite evident both on and off the field. Tucker scoring consisted of T.D.'s by Chesnut, McMakin, and North, a field goal by Beaty, and a safety by Downey. The game was not as the score would indicate with two Lizard touchdowns coming within the last two minutes of the game. The best team won; nothing more can be said, except "Thank you, Tigers."

Cross Keys 27-7

After an opening touchdown drive of 80 yds., the mighty Tigers continued to overpower Cross Keys. Senior Jimmy Chesnut accumulated 200 yds. rushing and scored the four Tucker touchdowns.

Junior Class Boasts DeKalb's Top Teen-ager

From the masses of talented young people surging through the corridors and classrooms of our high school, occasionally emerges a student so outstanding that he seems to be ten feet tall. Such a student is 16 year old Phil Reddick, a junior at THS. We proudly present Phil as the most outstanding DeKalb County Teenager of 1968 chosen by the Decatur Optimist Club.

David,

Well, it has been great knowing you this year. You are really something great! You made my second period class bearable. We had our own little parties in the back of the room every chance we could and everytime we had something good to eat. I have enjoyed hearing you talk and having you listen to all my dumb problems with Skip & everybody else. I hope you and your band make out great. Especially at those fraternity parties. Remember the next time you blow ~~bb~~ bubbles I want to blow bubbles with you. Don't forget the class of '69 and all the great times the seniors have had with the juniors. Good Luck always in the future & hope we will always be friends.

Love
Debbie

Dear David,

Well I finally get to sign your annual! It's sort of hard for me to put my feelings down on paper, but I'll try hard.

This year has been a great one and you've help m ake it that. I don't think I've ever met anyone quite like you, but I do know that you're the greatest boyfriend a girl could ask for. I want to thank you for being there when I needed someone to laugh or cry with. I hope I haven't been a problem, cause I know about my bad moods, but thanks for having the patience. You know I think you're the most wonderful person and I think the world of you.

I'll always remember all the great times we've had together and there has been a lot of them. I just hope there will be a whole lot more in the future. I've got so much to thank you for, but most of all thanks just for being David. Always stay the way you are that way you can't lose. Be good, please, and remember I'm always here when you need me. I love you

Love you always,

Your Suzie
